## **Artist Bio: 24/8 (Marlon Bereux)**

Marlon Bereux, known as 24/8, is an Australian rapper residing on Victoria's Mornington Peninsula, celebrated for his powerful storytelling and emotive lyricism. With collaborations alongside artists like Bizarre of D12 and Okwerdz, he proves that Australia can compete with the best in hip-hop.

After suffering a near-fatal brain injury that left him with Post Concussion Syndrome and PTSD, music became 24/8's path to healing. His EP, "8Ville," released on August 24th, 2024, reflects his journey through adversity, exploring themes of resilience and self-discovery.

Influenced by industry heavyweights like Eminem and Cypress Hill, his dynamic style combines complex wordplay with a fresh and relatable perspective. Drawing from a diverse array of life experiences, 24/8 creates a sound that is both unique and impactful.

Life's challenges have shaped him into a compelling artist, ready to elevate Australian hip-hop on the global stage while sharing his story with authenticity and depth.
